Lone Star College System,	§

Defendant.	§

ORDER

Defendant, Lone Star College System, has filed a Motion to Dismiss (docket no. 7). The motion seeks dismissal pursuant to Fed. R. Civ. P. 12(b)(6). The court's normal practice is to allow only one dispositive motion per party, and the court sees no reason to make an exception in this case. If Lone Star College System's motion to dismiss is denied, the court will therefore not allow it to file a motion for summary judgment. If Lone Star College System wishes to withdraw the motion to dismiss, the court will enter a docket control order that includes a date for motions for summary judgment. The court requests that Lone Star College System inform the court of its decision by September 15, 2023.

SIGNED at Houston, Texas, on this 12th day of September, 2023.
